110319 Police report and neighbourhood watch
Update

120319 Stroud Water Canal
Canal quote for consultancy
Sub group.

130319 Gloucester & Sharpness Canal Bridges
Response from Cllr Davies re issue with ambulance being held up at Sandfield Bridge.
I have now been able to talk to the Canal and Rivers Trust.
A very helpful Chris Kirkham got back to me and was aware of the incident. Apparently a process does exist where the Emergency Services can email or call ahead to the Bridges to notify them that they are coming. This includes Sandford Bridge despite it being automated. They have CCTV coverage.
On this occasion they have no record of a call or any contact and the CCTV did not see the ambulance.

Following the incident they have reviewed and made changes to the process including making sure that the Emergency Services have the correct numbers.
I am not sure how much further to take this but was pleased that CART acknowledged the issue.

Response from Highways re yellow lines size.
We have the option of installing either 50mm or 100mm thick yellow lines and this is dependent upon the environment (such as ANOBs or the like) or precedent of existing lines.
Not sure why it would be different at these two sites. But it has no bearing on the legality or gravity of the restriction itself.

140319 Website Maintenance
